

# We Were Alive

## Austra

Waking up, got somewhere to go  
I'm making sweat fall  
Step in line, do it hard enough  
To bring your color back  
Got no time to waste  
'Cause I'm poor and  
If I get something good  
I'm gonna take it  
I shouldn't laugh but I feel it  
I'm inside  
I am moribund  
It's what you want: torpidity  
But I sigh  
Got no time to waste  
'Cause I'm poor and  
If I get something good  
I'm gonna take it  
I shouldn't laugh but I feel it  
I'm inside  
I am moribund  
It's what you want: torpidity  
But I sigh  
Got no time to waste  
'Cause I'm poor and  
If I get something good  
I'm gonna take it  
I shouldn't laugh but I feel it  
I'm inside  
I am moribund  
It's what you want: torpidity  
But I sigh  
What if we were alive?  
What if we were alive?  
What if we were alive?  
He knows, it's true  
I believed in nothing before  
I've been living in a garden  
Distant, I was in a fortress  
Those tough walls crumbling and I think I see

How we've been cheated, the lies  
It's like we were alive  
It's like we were alive  
It's like we were alive  
Doctor, what's the cure for apathy?  
Come and pick me up  
It's like we were alive
