

(You Give Me) Fever

Buddy Guy

OW!

OW!

OW!

Listen to me

Listen to me

Listen to me

Never knew how much I love you woman

Never knew how much I care

When you put your arms around me

I get a fever that is so hot to bear

You give me fever

Sure you give me fever

FEVER in the mornin'™ child

And fever all through the night

Bless my soul I love you

Take this little heart of mine

When you get me woman like you got me

I just have to break my wine

You give me fever

Sure you give me fever

FEVER in the mornin' child

And fever all through the night

Sun lights up my daytime

Moon lights up the night

My eyes light up when you call my name

~Cause I know you™re gonna treat me right

You give me fever

Sure you give me fever

FEVER in the mornin' child

And fever all through the night

Bless my soul I love only you

I want you to take my heart away

When you got me like you got me
I donâ€™t know how to take it that way

You give me fever
I know now yeah
FEVER in the mornin child
Fever all through the night

Sun lights up my daytime
Moon lights up my night
I light up when you call my name
â€œCause I know youâ€™re gonna treat me right

You give me fever woman
Sure you give me fever
FEVER in the morninâ€™ child
And fever all through the night

Bless my soul I love you
Take this little heart of mine
When you got me like you got me
Fever gets my heart like fire

Sure you give me fever
I know you give me so much fever
FEVER in the mornin child
And fever all through the night

Ow
Feelinâ€™ all right
Feelinâ€™ all right
Feelinâ€™ so * all right

Tell me baby you love me
Hope you donâ€™t tell me no lies
When you got me the way you got me
I just donâ€™t know what gonna blow my mind

You give me fever
Sure you give me fever
FEVER in the mornin child
And fever all through the night

I love you

I love you so much yeah
Love you
I love you all way down in my soul
Tell me that you love me
Then Iâ€™ll feel all right
I donâ€™t know way I feel
If you just donâ€™t teat me right

Cause you give me fever
Sure you give me fever
FEVER in the morning child
Fever all â€¦

Oh no!
Oh no!
Oh no
Oh no no no noâ€¦
No no no noâ€¦
Doo do dooâ€¦
