In Your Eyes

Kate Alexa

here we are
with time standing still
can we make it lastnow we'r on the edge
and that's how it feels
both of us are falling festchorousit's in your eyes
all the reasons why
I could'nt walk away if I tried
these words can't be disguised
for all this time
i'v been waiting for the look
you giving me tonight
now i'm blinded by the love
that's in your eyeswhat we have
is to good to miss
it's a connection
we can't ignorenow we come together
one moment lests forever
with just one kiss
both of us are wanting moreit's in your eyes
all the reasons why
I could'nt walk away if I tried
these words can't be disguised
for all this time
i'v been waiting for the look
you giving me tonight
and now i'm blinded by the love
that's in your eyesnobody knows (nobody knows)
nobody knows
what's gonna happen
tomarrow
lets make it lastit's in your eyesit's in your eyes
all the reasons why
I could'nt walk away if I tried
these words can't be disguised
for all this time
i'v been waiting for the look
you giving me tonight
and now i'm blinded by the love
that's in your eyesand now i'm blinded by the love

that's in your eyes
in your eyes
