No

Kiley Dean

I guess it all comes down to whether or not
You're telling me the truth (um hum um hum)
But I can't help but to have my doubts about you
Cause this thing ain't new (um hum um hum)
I been through storms and back
made sacrifices just to be with you (um hum um hum)
Now you wanna come back one more time
But I'm not even hearing you (um hum um hum)Cause you gave me nothing but a broken heart
I think it's best that we just stay apart
Every time you promise me you'll treat me right
We end up right back where we started outI'm saying
(no) I don't wanna be yours anymore and
(no) I don't wanna do things like before and
(no) I don't wanna believe what you're saying
(no) I already know this can't be paying
(no) Don't be calling me 5 in the morning
(no) Don't be sending me gifts anymore and
(no) Get up out of the game you ain't scoring
(no) I don't wanna be with youYou tell me things have changed
And know you know how much you threw away (um hum um hum)
You shoulda realised
I'm not about to sit round and wait (um hum um hum)
Getting over you was hard
But now it's done and Im'a be OK (um hum um hum)
You better get used to the way it is
Because it ain't gonn' change (um hum um hum)Cause you gave me nothing but a broken heart (nothing)
I think it's best that we just stay apart (no oh)
Every time you promise me you'll treat me right (oh yea)
We end up right back where we started outI'm saying
(no) I don't wanna be yours anymore and
(no) I don't wanna do things like before and
(no) I don't wanna believe what you're saying
(no no no) I already know this can't be paying
(no) Don't be calling me 5 in the morning
(no) Don't be sending me gifts anymore and
(no) Get up out of the game you ain't scoring
(no no no) I don't wanna be with youI don't wanna know why (no, I don't wanna know why)
No one ain't satisfied (no)
Keep you're apologies (keep your apologies)

Cause you don't even know (no)
I don't need you in my life (I don't)
Seriously this time (time)
This is your ticket to ride (ride)
Better believe it(no) I don't wanna be yours anymore and
(no) I don't wanna do things like before and
(no) I don't wanna believe what you're saying
(no) I already know this can't be paying
(no) Don't be calling me 5 in the morning
(no) Don't be sending me gifts anymore and
(no) Get up out of the game you ain't scoring
(no) I don't wanna be with youNo (no no)
