## **Thunderbird**

## **Quiet Riot**

Hello, you, yes, it's me You can't come back, you're flyin' free You think you found Everything that you needFly away, fly away To your new home Across the seasOh, leave your nest Oh baby leave the best thing That you've beenFly on, thunderbird fly Fly on, spread your wings to the sky Fly on, thunderbird flyOn your own and I'm alone In the shadow of what we done And I can't help but think That someday you'll be back homeFly away, fly away To your new home Across the bayAnd give your best Ooh, baby leave the best thing That you've beenFly on, thunderbird fly Fly on, spread your wings to the sky Fly on, thunderbird fly Fly onWhen all is said, all is done Still I live and carry on Don't look back but think of me We'll meet again, fly awayFly on, thunderbird fly Fly on, spread your wings to the sky Fly on, thunderbird flyFly on, thunderbird fly (You've got fly away) Fly on, spread your wings to the sky (On to the sky) Fly on Thunderbird (Fly)
