Gabriel (Bone Flies With Angles Bootleg)

Lamb

I can fly
But I want his wings
I can shine even in the darkness
But I crave the light that he brings
Revel in the songs that he sings
My angel GabrielI can love
But I need his heart
I am strong even on my own
But from him I never want to part
He's been there since the very start
My angel Gabriel
My angel GabrielBless the day he came to be
Angel's wings carried him to me
Heavenly
I can fly
But I want his wings
I can shine even in the darkness
But I crave the light that he brings
Revel in the songs that he sings
My angel Gabriel
My angel Gabriel
My angel Gabriel
