

# Nerves

## Possum Dixon

Landlord church  
Car crash work  
My head aches  
And silver lake You nerve me Well, I hate work  
I'm a mail room clerk  
[Incomprehensible]  
Stop me from making mistakes But you nerve me The girl's on glue  
When the rent check's due  
I suicide  
Stop me from calling late But you burned me And I think it's gonna be  
A long walk home  
And it's gonna be  
A long walk to the car And I think it's gonna be  
A long walk home  
It's gonna be  
A long walk to the car
