Naturally Mine

Al B. Sure!

(no, no, no, no)

You're naturally mine.
You're naturally mine.
You're naturally mine.
You're naturally mine.

Tell me.
Why, do I baby, love you? Yes, I do. (loving, loving you)
Please take my hand. Won't you understand girl?
I'm loving you and needing you more.
(no, no. no, no)

You're naturally mine. Yes, you are, yes, you are.
You're naturally mine. (no, no, no, no.)
You're naturally mine. Yes, you are, yes you are.
You're naturally mine. Hold me in you're arms.

Tell me. Why do you, baby, treat me the way you do? (treat me the way you do)
You know I loved you from the start. You turned away and broke my heart.
You got me feeling like I'm in the clouds. (no no no.)
Why, why, why, oh why, oh why do I need you the way I do? (no, no, no no, no)
You got me wanting you, I desire you. My heart's on fire for you girl.
So don't you ever go away, yeah.

You're naturally mine. Yes you are, yes you are, yes you are.
You're naturally mine. Please don't go away my baby.
You're naturally mine. Stay with my lady. (no, no, no, no)
You're naturally mine. Don't you leave me tonight.

Oh, no no. You've captured my heart, girl. (Not this time. not again, no.)
I do care always to share my love with you again. ooh ooh ooh.
Why, oh why, why, oh why do
I need you the way I do? (no, no, no, no, no no)
You got me wanting you, I desire you, my heart's on fire for you girl.
(hmm. I need you. {no, no, no, no.} for the rest of my life)

You're naturally mine. Yes you are, yes you are, yes you are.
You're naturally mine. Please don't go away my baby.
You're naturally mine. Stay with me my lady.
