

# Tonight

## Basement Jaxx

You I see  
Sitting waiting for me  
By the station in a blue ride  
Wearing red for the first time  
You are free  
But yet you choose to be rated  
While I'll be dancing  
In the moonlight  
You I see  
Sitting waiting for me  
By the station in a blue ride  
Wearing red for the first time  
You are free  
But yet you choose to be rated  
While I'll be playing  
With the stars tonight  
Tonight  
La la la lee lo lo lo o  
Co co co sh sh sh  
Co co co shh sh  
Co co co sh sh sh  
Co co co co co co
