Locked Up and Lonely

Masked Intruder

On a cold and dreary ocean
I can be found
In a cage all by my lonesome
Waiting for love to come aroundAnd they say no one gets out alive
Well I pray it isn't true
And I wait around for somebody
Somebody like youIn the loneliest place on Earth
I'm locked away
Still holding on for whatever it's worth
Just waiting for love to save the day
And they say no one gets out alive
Well I pray it isn't true
And I wait around for somebody
Somebody like youCause I'm locked up and I'm lonely
And I know I could turn it all around if only
You come and set me free
Throw your arms around me
Then I wouldn't be locked up and lonelyAnd they say no one gets out alive
And I pray it isn't true
So I wait around for somebody
Somebody like you
Cause I'm locked up and I'm lonely
And I know I could turn it all around if only
Cause I'm locked up and I'm lonely
And I know I could turn it all around if only
You come and set me free
Throw your arms around me
Then I wouldn't be locked up and lonely
Then I wouldn't be locked up and lonely
Then I wouldn't be locked up and lonely
