oh, you're drunk again
well hush now

hushwell I don't mind
but your sister minds
oh but you're off on nights
well I'm gonna keep thinkin'
you keep drinkin'
and blink and I'll drink
no more thinkin' for meoh yell yeah
oh hell yeah
all I need is you tispy, you tipsy
all my words are comin' out slurred
all I need is you tipsy, you tipsy, youbeen here before
but it's spinnin' more
and your mouth's a bore
well hush now

hushand your friends should mind
but they're on my side
and your lips look dry
and Vancouver at 19
with 2 forms of IDoh yell yeah
