

Bagels in Kiev

Animal Collective

Grandpop we had sweet days on the beach in Ventnor I remember
Wish we could walk along and you could watch the waves and talk the current Septembers

These days Iâ€™m not so sure who is getting along or if they were before
I wasnâ€™t there when Moses parted the sea I wasnâ€™t there with you grandpop back in Kiev

With the ladies dressed so nice in their ornate reds with satin textures
Have you since found some peace it seems I canâ€™t escape all the war and violence

These days Iâ€™m not so sure who is getting along or if they were before
I wasnâ€™t there when Moses parted the sea I wasnâ€™t there with you grandpop back in Kiev

Lets just speak love

Bagels for everyone thatâ€™s the kind of thing you would have wanted there
should be lots to eat or how can they expect to get a tiring job done?

These days Iâ€™m not so sure who is getting along or if they were before
I wasnâ€™t there when Moses parted the sea I wasnâ€™t there with you grandpop back in Kiev
