Get Real

Country Boy Clique

And they gotta learn to do that thing
Stand back 'cause it's obvious
And if you wanna see us dance and sing
Step off get on back of usOh baby, let your back don't slip
Let it slide right down
Put it on your hip
Oh baby, let your back don't slip
Let it slide right down
Get it on that tipGet real
(You know you gotta)
Make it real
(You know)Oh, and if you really wanna change the world
Yeah, step off 'cause you know you can
If you wanna know the difference between a boy and a girl
Yeah, step talk, take it like a manOh baby, let your back don't slip
Let it slide right down
Put it on your hip
Oh baby, let your back don't slip
Let it slide right down
