

Stay Awake

Joseph

Stay awake
Stay awake
Stay awake I know it's hard, harder
Harder than we all knew
I know you've been waiting
Longer than you should have to Stay awake
Stay awake
Stay awake
I know you've been trying
You've done the best you could
I know you've been wanting
Everything that you should Stay awake
Stay awake
Stay awake
Tell the night it's dark
Tell your eyes they're tired
Tell the air it's cold
I can't say anymore if we'll get what we hope for Stay awake
Stay awake
Stay awake
