

# Living Together, Growing Together

**Burt Bacharach**

Living together, growing together, just being together  
That's how it starts  
Three loving hearts all  
Pulling together, working together, just building together  
That makes you strong  
If things go wrong we'll still get along somehow  
Living and growing together It just takes wood to build a house  
Fill it with people and you have a home  
Fill it with love and people take root  
It's just like a tree  
Where each branch becomes a family that's Living together, growing together, just being together  
That's how it starts  
Three loving hearts all  
Pulling together, working together, just building together  
That makes you strong  
If things go wrong we'll still get along somehow  
Living and growing together Living together, growing together, just being together  
That's how it starts  
Three loving hearts all  
Pulling together, working together, just building together  
That makes you strong  
If things go wrong we'll still get along somehow  
Living and growing  
Just like we're doing now, together
