

Sinead (Alex M.O.R.P.H. Extended Vocal Mix)

Within Temptation

I've gotta try
It's not over yet
No signals of love
Have you left
My heart is bleeding just for you
Bleeds for only you And it hurts to know the truth Are you looking for saviours
Chasing a dream
Love turned to hate Now I'm crossing the border
See then I fade
But I'm not afraid Oh Sinead,
For the first time
Love is gonna turn around
I'm telling you
You will like it, I know Oh Sinead,
It's the first time
Only you can set it free
Oh Sinead
Come break away with me This second chance I know won't last
But it's OK
Got not regrets
And I, I feel the end here
I'm a fool
Getting closer But I'm doing what I should
I been drowning in sorrow
Chasing tomorrow,
Running away Now you're crossing the border
See no tomorrow
But you're not afraid Oh Sinead,
For the first time
Love is gonna turn around
I'm telling you
You will like it, I know Oh Sinead,
It's the first time
Only you can set it free
Oh Sinead
Come break away with me But I'm doing what I should
I've been drowning in sorrow
Chasing tomorrow,
Running away Now you're crossing the border

See no tomorrow
But you're not afraid Oh Sinead,
For the first time
Love is gonna turn around
I'm telling you
You will like it Oh Sinead,
For the first time
Love is gonna turn around
I'm telling you
You will like it, I know Oh Sinead,
It's the first time
Only you can set it free
Oh Sinead
Come break away with me.
