You Make Me Feel Loved

Zucchero

You Make Me Feel Loved
Every time I feel the rain
I don't know why
I'll never get the pain

You make me feel loved
You make me feel all loved

Easy sun on a dead end street
Nothing good can ever be so sweet
A love we keep is a love we waste
Make me feel loved before we are too late

You make me feel loved
You make me feel all loved

You make me feel loved
And the beautiful world and the sky is on fire
You make me feel all loved
Every innocent day every secret desire

I wanna take a trip back in time
I wanna take a trip back in time
I wanna take a trip back in time
I wanna take a trip back in time

I wanna take a trip back in time
(Down, down, down)
I wanna take a trip back in time
(Down, down, down)
I wanna take a trip back in time
(Down, down, down)
I wanna take a trip back in time
Oh, Don't let me down

Lift me up, hold me close
Give me hope now, for all of us
Live and die in my embrace
I move the sky across your smiling face

You make me feel loved
You make me feel all loved

You make me feel loved
And the beautiful world and the sky is on fire
You make me feel all loved
Every innocent day every secret desire
You make me feel loved
And the message you sent through invisible wire
You make me feel all loved
All this beautiful world and the sky is on fire

I wanna take a trip back in time
I wanna take a trip back in time
(you make me feel loved)
I wanna take a trip back in time
I wanna take a trip back in time
I wanna take a trip back in time
