

Undo The Right

Willie Nelson

If you can't say you love me say you hate me
And that you regret each time you held me tight
If you can't be mine forever then forsake me
If you can't undo the wrong undo the right
It was right when you loved me only
But wrong when you held another tight
So before you go away and leave me lonely
If you can't undo the wrong undo the right
It's too late to say your heart is filled with sorrow
You can't undo what's done why do you try
So please help me to face the new tomorrows
If you can't undo the wrong undo the right It's too late to say your heart...
