

Lead You Astray

Life of Agony

You give what you get
Nothing more and nothing less
Smile when needed to
Speak when spoken to I won't lead you astray
I won't lead you astray Candyman
Candyman
Candyman Take what, what you need
As long as it's free
Come run away with me
We'll run far away I won't lead you astray
I won't lead you astray Let go of what's real
Show me what you feel
Don't you be afraid
I won't lead you astray Candyman
Candyman
Candyman I won't lead you astray
I won't lead you astray
I won't lead you astray
I won't lead you astray
