

# One More Sign

Neil Young

No I'm not gonna,  
Hide my feelings,  
Couldn't if I tried.  
No, I'm not holding them inside. Holding back is,  
So close to stealing,  
Though we both have pride.  
We could lose it all if we lied. Someday it's later than,  
The feeling we have now.  
It's off the ground,  
I've always played around.  
But now I don't know how. Listen easy,  
'Cause I'm saying,  
What I mean this time.  
Sharing words I always said were mine.
