Rainbow

[Charlie Hope](#)

If I gave you a rainbow of colors,
Would you give me a rainbow of love?
If I gave you a map of a rainbow, could you find me?

Yellow is the sun shining within me.
Red is the fire in my heart.
Green's all the way down my back, like a vine and growing.
Blue sits right under like the wave, a ships held in the ocean.
Purple's the light behind my eyes.
Orange is the glow my sun shines onto you.

I found a rainbow within me, did you see it?
Do you have one too? Do you have one too?
