

Still In Love with You

Electro Velvet

Well, don't get on the wrong train
Don't fly in an old plane
Don't go out in the pouring rain
You might get wet I'd be upset
You're bound to get sneezes or nasty diseases
Take good care when I'm not there
I'm still in love with you While I'm on vacation, you'd be a good patient
Take your medication, I worry so each time I go
Try to keep warm, dear
In case there's a storm, dear
Take good care while I'm not there
I'm still in love with you Some younger guys with roving eyes
May tantalize you with their lies
You must be wise and realize
Leave well alone till you get home, dear Won't see other fellas, don't wanna make you jealous
No need to fear when you're not here
I'm still in love with you Let's dance, dance
Dance Don't walk on the red lights
Don't stay out at midnight
Don't get in a fist fight
That pretty face can't be replaced Don't go out at night, hon?
It wouldn't be right hon
No need to fear when you're not here
I'm still in love with you
(Oh yes?) Everybody dance
Everybody dance Skiddy-beep-bop-doo...
Dee-dee-dee Sounding good, sugar Skiddy-beep-bop-doo...
Dee-dee-dee
Take care now, honey Don't make a fuss, you need to trust me
This is how it always must be
When I stop to think of us
I can assure you I adore you Because you're so gorgeous, you need to be cautious
Take good care when I'm not there
I'm still in love with you You have a fun time, you soak up that sunshine
But don't drink too much wine
Just one or two will have to do I know what you're thinking
So I won't be drinking
No need to fear when you're not here
I'm still in love with you I'm still in love with you

I'm still in love with you
