

# Dirty Paws (live)

## Of Monsters and Men

Jumping up and down the floor, my head is an animal  
And once there was an animal, it had a son that mowed the lawn

The son was an ok guy

They had a pet dragonfly

The dragonfly, it ran away

But it came back with a story to say...Her dirty paws and furry coat, she ran down the forest slope

The forest of talking trees, they used to sing about the birds and the bees

The bees had declared a war - the sky wasn't big enough for them all

The birds, they got help from below

From dirty paws and the creatures of snow  
And for a while things were cold, they were scared down in their  
holes

The forest that once was green was coloured black by those killing machines

But she and her furry friends took down the queen bee and her men

And that's how the story goes, the story of the beast with those four dirty paws
