

Down In The Park

Gary Numan

Down in the park where the machmen meet
The machines are playing 'Kill-by-numbers'
Down in the park with a friend called 'Five'
I was in a car crash or was it the war?
Well, I've never been quite the same
Little white lies like I was there
Come to Zom-Zom's, a place to eat
Like it was built in one day
You can watch the humans try to run
Oh, look, there's a rape machine
I'd go outside if it looks the other way
You wouldn't believe the things they do
Down in the park where the chant is death, death, death
Until' the sun cries mornin'
Down in the park with friends of mine
We are not lovers, we are not romantics
We are here to serve you
A different face but the words never change
