Bucwheed

Only see, somehow it always seems
That I'm learning or something I can never be
It doesn't matter to me
'Cause I will always be that pimp
I see in all my fantasies I don't know your fucking name
So what? Let's Screaming to be the only way
That I can truly be free
From my fucked up real life
So I dream and stroke it harder
'Cause its so fun to see my
Face staring back at me I don't know your fucking name
So what? Let's fuck All day I dream about sex
All day I dream about fucking All day I dream about fucking All day I dream about sex, Yes
All day I dream about sex
And all day I dream about sex, Yes
All day I dream about sex And all day I dream about sex, Yes
All day I dream about sex
And all day I dream about sex, Yes
All day I dream about sex All day I dream about sex
All day I dream about fucking All day I dream about sex
All day I dream about fucking
