

Somewhere Else (Wolves)

Razorlight

You're an emotional wreck
You don't know who you are
You never say what you mean
And you keep your mouth shut
And your night stays still
And then you come and call on me
You say I just can't help myself
I really, really wish I could be
Somewhere else than here
And I met a girl
She asked me my name
I told her what it was
She looked at me
I tried to explain
Exactly what I'd lost But now I just can't help myself
I really, really wish I could be
Somewhere else than here
You give me everything I need
But I really, really wish I could be
Somewhere else than here
Just anywhere else
Just anywhere else than here And I won't forget
No, I won't forget
No, I won't forget When I saw you there
It was the first time
And you just walked on by
I was catching the sparks
That flew from your heels
Trying to catch your eye But that was somewhere else
Yeah somewhere else, somewhere else
I really, really wish I could be
Somewhere else, somewhere else, somewhere else
I really, really wish I could be
Cause I just can't help myself,
I really, really wish I could be
Somewhere else than here And no, I just can't help myself
I really, really wish I could
I've got everything I need
I really, really wish I could be

Somewhere else, somewhere else, somewhere else
I really, really wish I could be
