In the Dragon's Den

Symphony X

Placid skies,
Through crystal gazing eyes
Slaves to our desire,
The dungeons call,
Two faces on the wall
In a ring of smoke and fire
Candles light the way,
For a moonlight serenadeThrough the nights and days,
We will find a way
A way to carry on what we believe
An empty door,Dragons calling throughout the night
Hypnotic array of lights,
Ashes on the floor
Omen in black,
Soaring through an endless plight
Chained down to the rack
The end never in sight,Through the nights and days,
We will find a way (find a way)Tiving us the sign
Forever lost,
Silence fills the shrine,
Forever in the dragon's den
Born with second sight,
Forever lost,
Essence burning bright
Forever in the dragon's denGiving us the sign
Silence fills the shrine,
Born with second sight,
Forever lost,
Forever in the dragon's den
Essence burning bright
Forever lost, forever in the dragon's den
