

# Come And Get It

## Elton John

If you want it, here it is, come and get it  
Make your mind up fast  
If you want it anytime, I can give it  
But you better hurry 'cause it may not last Did I hear you say that there must be a catch?  
Will you walk away from a fool and his money?  
If you want it here it is, come and get it  
But you better hurry 'cause it's going fast If you want it, here it is, come and get it  
Make your mind up fast  
If you want it anytime, I can give it  
But you better hurry 'cause it may not last Did I hear you say that there must be a catch?  
Will you walk away from a fool and his money, sonny?  
If you want it here it is, come and get it  
But you better hurry 'cause it's going fast  
You better hurry 'cause it's going fast  
Fool and his money, sonny If you want it here it is, come and get it  
But you better hurry 'cause it's going fast  
You better hurry 'cause it's going fast  
You better hurry 'cause it's going fast
