If It Don't Work Out

The Zombies

When she love me nothing in the world
Can touch her loving now
The light of love has gone
Can I return the joy she's dreaming of
I don't know
I don't knowBut if it don't work out
The tears that I cried, babe
(If it don't work out)
Won't bring her home
(If it don't work out)
If it don't work outWill she still care for me
The way she did before, well
She turned around and tells me
She don't love me anymore
I don't know
I don't knowBut if it don't work out
The tears that I cried, babe
(If it don't work out)
Won't bring her home
(If it don't work out)
If it don't work outBut if I could forget
The tears and the crying
That I went through
Once before
Maybe my love, could start
Start againOne day I know we'll find
The candle that we had
And I
Will know and feel
The joys and pleasures
That I'm dreaming of
And I don't know
I don't knowBut if it don't work out
The tears that I cried, babe
(If it don't work out)
Won't bring her home
(If it don't work out)
If it don't work outBut if it don't work out
If it don't work out

If it don't work out
If it don't work out
