

# Crabtown

## Throwing Muses

Crabtown, baby brown, it's not work at all  
It just slips around your finger  
It just sits around lingers like a spell Oh, we can't hardly stand  
Oh, we can't hardly wait around Kiss me over, Crabtown, baby brown Underwater, I swim sound  
Cast a shadow on your cloud  
Scattered days like spray champagne Oh, we can't hardly stand  
Oh, we can't hardly wait around Kiss me over, Crabtown, baby brown Lost my head on Reject Beach  
Lost my heart, come away with me Oh, we can't hardly stand  
Oh, we can't hardly wait around Kiss me over, Crabtown, baby brown Oh, we can't hardly stand  
Oh, we can't hardly wait around Kiss me over, Crabtown, baby brown  
Kiss me over, Crabtown, baby brown  
Kiss me over, Crabtown, baby brown
