

# Modern Hearts

## The Knocks

The nights will bring us together  
We stay here wishing for dark  
Light comes above the river  
Then we fade away I need to know, will you wait for us?  
To find the sun  
I need to know, is there a place for love  
And modern hearts? Your eyes have seen our emotion  
They're changing here in the dark  
Soon we'll be in the open  
And the day will start I need to know  
I need to know  
I need to know I need to know, will you wait for us?  
To find the sun  
I need to know, is there a place for love  
And modern hearts? I need to know, is there a place for us?  
To find the sun  
I need to know, is there a place for love  
And modern hearts?
