Dakota

O.A.R. (... Of A Revolution)

I had a dream about you
It was December in the afternoon
You're something pretty and cool
Signing records as you're passing throughYou saw everyone as an angel
But what about the thieves?
Who don't know what do
And don't know who to be
You saw everyone as an angel
But what about the thief?
Who took away from you
He took away from youIf you just kept walking on your way
If you just kept walking on your way
If you just kept walking on, walking on, walking on your wayBehind the archway lies a thief
Awaiting double fantasy
He's something evil underneath
Outside Dakota died the symphonyI think everyone has a devil waiting in the wings
When you don't know what to do
And you don't know who to be
You saw everyone as an angel
But what about the thief?
Who took away from you
Took away from youIf you just kept walking on your way
If you just kept walking on your way
If you just kept walking on, walking on, walking on your wayMaybe this is just a nightmare
And I will wake up
We all will wake up
Maybe this is just a nightmare
December afternoon they took away from youIf you just kept walking on your way
If you just kept walking on your way
If you just kept walking on, walking on, walking on your way
Just walking on your way
Just walk on
