

# Turn It Into Love

## Hazell Dean

Did you believe I'd let you down?  
Your jealous heart gave you the runaround  
You couldn't see that I would always be your friend

If you can look inside your heart  
And understand what's tearing you apart  
You gotta trust someone, don't let hate get in the way

Just turn it into love, turn it into love  
And open up your heart and you'll never feel ashamed if you  
Turn it, turn it, turn it into love

When all your other friends are gone  
I'll still be here to help you carry on  
If you have faith in me then I'll believe in you

You are the first thing on my mind  
Do you believe I wouldn't have the time?  
I have to make you see, you can put the pain on me

Just turn it into love, turn it into love  
And open up your heart and you'll never feel ashamed if you  
Turn it, turn it, turn it into love

Just turn it into love  
Just turn it into love  
Just turn it into love

If you can look inside your heart  
And understand what's tearing you apart  
You gotta trust someone, don't let hate get in the way

Just turn it into love, turn it into love  
And open up your heart and you'll never feel ashamed if you  
Turn it, turn it, turn it into love

Just turn it into love, turn it into love  
And open up your heart and you'll never feel ashamed if you  
Turn it, turn it, turn it into love

Just turn it into love, turn it into love  
And open up your heart and you'll never feel ashamed if you  
Turn it, turn it, turn it into love
