I...can't...sleep at all

Tryna get through this

Dont know how i'll do this

But that doesn't help to ease the pain (doesn't help to ease the pain)

Ill just die if i cant see her faceChorus:

Until ya come back

I cant breath

Until ya come back

I got no reason

got my heart my heart down on its knee's

I still need you beside me...Verse 2:

Now its morning

Your still gone and

I....still.....reach for you (still reach for you)

Don't know how to

Live with out you

I....wish...i can take back all the hurt i cause

If I can Take back all the love i lost

My pain is just took higher because Yeah

Pleaseeeee...forgive me

Let me have

One more chance

In your life

Till your with me

Ill be

Half alive
