

I'll Give It to You

Blackstreet

Whenever you want it, I'll give it to you
Whenever you need it, you don't have to ask me
Whenever you want it, I'll give it to you
Whenever you need it, you don't have to ask me Let me guess girl, what you askin' for?
Give me three chances to show you what I know
One, you want me to hold you tight
Two, you want a gentle kiss
Three, you're 'bout to get ready
'Cuz you know you can't resist Girl, you shouldn't have to wait
'Cuz makin' love to you is such a natural thing
You can do what you wanna do
I'm here to relieve you so don't you hold back
Can't you see that? Whenever you want it, I'll give it to you
Whenever you need it, you don't have to ask
Whenever you want it, I'll give it to you
Whenever you need it, you don't have to ask me When you're in the mood, let's not hesitate
I can love you in one thousand one different ways
Whenever you want it I'll give it to you
'Cuz baby you got it whenever you like Girl, you shouldn't have to wait
