

# The Good, The Bad & The Undead

## The 69 Eyes

Hail hail rock'n'roll

Hail hail

When the clock strikes twelve and we're in bed  
That's when the boogey man lurks to cut your head  
They won't let you into heaven  
And hell is closed tonight  
The good, the bad & the undead  
The good, the bad, baby better like it  
The good, the bad & the undead  
The party's started and it's better when you're dead

We're the ones who have no place to go

We've sold our souls to rock'n'roll

Hail hail rock'n'roll

Hail devil's got your soul

They won't let us into heaven

We've done all the sins of seven

The good, the bad & the undead

The good, the bad, baby better like it

The good, the bad & the undead

The party's started and it's better when you're dead

Baby where's your head?
