# O Chronic Tree

## Afroman

*Afro man* Alright, here i go (clears throat)Chronic Tree, O Chronic Tree,
Wit' yo leaves so, sticky green.
Chronic Tree, O Chronic Tree,
So hard to sale, I want you all for me.The bong is smoked this side of town,
L.A.P.D. Try'na shut me down!
Chronic Tree, O Chronic Tree
Your leaves so green and sticky to me.On the cover of High Times Magazine
Zig-Zags and a bong for you my friend.
Chronic Tree, O Chronic Tree
So hard to sale, I want you all for me.From Masta Town to the CPT
Caint wait to pick yo stems and seeds.
Chronic Tree, O Chronic Tree
So hard to sale, I want you all for meeeee!!!!!
