Waiting For You

Bodixa

I have been waiting
I have been waiting
I have been waiting
I have been waiting
I have been waiting
But I can't stay
Everyday, a shade of blue
You won't believe what I'm going through
It just feels like I can't afford to let myself go
No, oh, no
Everyone is just the same
They touch me but I can't stay
There has been no one brighter than you
I can't deny these things that I do
Feels like the world's at stake
'Cause I have been waiting
I have been waiting for you
Heavenly, that's what you are
You're burnin' me like a shining star
How am I supposed to be
That king without you? Oh, oh, it's true, yeah
Everyone is just the same
They love me but I can't stay
There has been no one brighter than you
I can't deny these things that I do
Feels like the world's at stake
'Cause I have been waiting
I have been waiting for you
There has been no one brighter than you
I can't deny these things that I do
Feels like the world's at stake
'Cause I have been waiting
I have been waiting for you
I have been waiting
I have been waiting
I have been waiting
But I can't stay
