

# Lighters

## Bad meets evil feat Bruno Mars Karaoke Band

[Bruno Mars] This one's for you and me, living out our dreams  
We're all right where we should be  
Lift my arms out wide I open my eyes  
And now all I wanna see  
Is a sky full of lighters  
A sky full of lighters

[Eminem] By the time you hear this I will have already spiralled up  
I would never do nothing to let you cowards fuck my world up  
If I was you, I would duck, or get struck like lightening,  
Fighters keep fighting, put your lighters up, point em' skyward uh  
Had a dream I was king, I woke up, still king?  
This rap game's nipple is mine for the milking,  
Till nobody else even fucking feels me, till' it kills me  
I swear to god I'll be the fucking illest in this music  
There is or there ever will be, disagree?  
Feel free, but from now on I'm refusing to ever give up  
The only thing I ever gave up is using. No more excuses.  
Excuse me if my head is too big for this building  
And pardon me if I'm a cocky prick but you cocks are slick  
Poppin shit on how you flipped ya life around, crock-of-shit  
Who you dicks try to kid, flipped dick, you did the opposite  
You stayed the same, cause cock backwards is still cock you pricks  
I love it when I tell em shove it  
Cause it wasn't that long ago when Marshall sat, luster lacked, flustered  
Cuz he couldn't cut mustard, muster up nothing  
Brain fuzzy, cause he's buzzin', woke up from that buzz  
Now you wonder why he does it, how he does it  
Wasn't cause he had buzzards circle around his head  
Waiting for him to drop dead, was it?  
Or was it, cause them bitches wrote him off  
Little hussy ass fusses, cause f-ck it, guess it doesn't matter now, does it  
What difference it make?  
What it take to get it through your thick skulls  
As if this aint some bullshit  
People don't usually come back this way  
From a place that was dark as I was in  
Just to get to this place

Now let these words be like a switch blade to a haters rib cage  
And let it be known from this day forward

I wanna just say thanks cause your hate is what gave me the strength  
So let em bic's raise cause I came in at 5'9 but I feel like I'm 6'8  
[Bruno Mars]This one's for you and me, living out our dreams  
We're all right where we should be  
Lift my arms out wide I open my eyes  
And now all I wanna see

Is a sky full of lighters  
A sky full of lighters

[Royce Da 5'9"]By the time you hear this I'll probably already be outtie  
I advance like going from toting iron to going and buying 4 or 5 of the homies the iron man Audi  
My daddy told me slow down, boy, you goin to blow it

And I aint gotta stop the beat a minute

To tell Shady I love him the same way that he did Dr Dre on the Chronic

Tell him how real he is or how high I am

Or how I would kill for him for him to know it

I cried plenty tears, my daddy got a bad back

So it's only right that I right till he can march right into that post office and tell em to hang it up  
Now his career's Lebron's jersey in 20 years

I'll stop when I'm at the very top

You shitted on me on your way up

It's 'bout to be a scary drop

Cause what goes up must come down

You going down on something you don't wanna see like a hairy box

Every hour, happy hour now

Life is wacky now

Used to have to eat the cat to get the pussy

Now I'm just the cats meoww, ow

Classic now, always down for the catch weight like Pacquiao

Ya'll are doomed

I remember when T-Pain aint wanna work with me

My car starts itself, parks itself and autotunes

Cause now I'm in the Aston

I went from having my city locked up

To getting treated like Kwame Kilpatrick

And now I'm fantastic

Compared to a weed high

And y'all niggas just gossipin' like bitches on a radio and TV

See me, we fly

Y'all buggin out like Wendy Williams staring at a bee-hive

And how real is that

I remember signing my first deal and now I'm the second best I can deal with that

Now Bruno can show his ass, without the MTV awards gag

[Bruno Mars]You and I know what it's like to be kicked down

Forced to fight

But tonight we're alright  
So hold up your light  
Let it shine  
Cause this one's for you and me, living out our dreams  
We're all right where we should be  
Lift my arms out wide I open my eyes  
And now all I wanna see  
Is a sky full of lighters  
A sky full of lighters
