Someone For Everyone

Last Days of April

Is this something on my mind? Thats beneath it you from inside

Dont look back, it gets better from hereTheres someone for everyone

Theres someone for everyone

Somewhere, someones waiting for youGuess you have something dragin you down

Couldnt lose and leave it behind, yeah

Dont look back, it gets better from here

So much better, I swearTheres someone for everyone

Theres someone for everyone

Somewhere, someones waiting for youTime to let goTheres someone for everyone

Theres someone for everyone

Somewhere, someones waiting for you

Theres someone for everyone

Theres someone for everyone

Somewhere, someones waiting for you.
