Make It Happen

Dot Allison

How does it feel to know that this is real?
How does it feel to know that this is real?
How does it feel to know this is the real?
How does it feel to know this is the real?How does it feel?
How does it feel?
How does it feel?We could make these things happen
We could make these things happenHow does it feel to know that this is real?
How does it feel to know this is the real?We could make these things happen
We could make these things happen
We could make these things happen
We could make these things happenWe could make these things happen
We could make these things happen
We could make these things happen
We could make these things happenHow does it feel?
How does it feel?
How does it feel?
How does it feel?
