

# Strawberry Rash

## Smog

Meet strawberry rash  
One on each cheek  
Coins in the crack  
Meet strawberry rashIt's the banquet of a starving girl (x2)  
She's gonna swallow glassMeet strawberry rash  
Red eggs and brown apples  
She's gonna swallow glass  
Meet strawberry rash  
Coins in (poison? ) the crackIt's the banquet of the starving girl (x2)  
She's gonna swallow glass  
Meet strawberry rash  
Coins in the crack  
And beggin' her to piss
