Lovelight

Lewis Taylor

did it again (4x)what am I supposed do, to keep from going under
now y're making holes in my heart and yes, it's starting to showI've been holding back, but is it any wonder
since you walked right into my life and interrupted the flow
and I wanna know..baby when you're with me
who do you think you're fooling
making me feel so sure
turning your lovelight down again
why don't you let me be
you don't know what you're doing
making me feel so sure
turning your lovelight down againdid it again (2)baby I've got to know, are we gonna make it
lay y'down beside me tonight, and do whatever you feel
baby your in control, where you gonna take it
don't you think that I do you right, you know darned well that I will
but I wanna knowbaby when you're with me
who do you think you're fooling (tell me)
making me feel so sure
turning your lovelight down again
why don't you let me be
you don't know what you're doing
making me feel so sure
turning your lovelight down againdid it again (4x)baby you turn, the lovelight down
and I don't know, just how long I can stick around
girl I need more, and it ain't just physical
but I don't know what I can do, 'cuz i found
it ain't love this time aroundkeep turning down, your lovelight, did it again (6x)
oh whenever you, baby when you're with me
who do you think you're fooling
making me feel so sure
turning your lovelight down again
why don't you let me be (I wish you'd let me be)
you don't know what you're doing
making me feel so sure
turning your lovelight down again
(repeat)
