I Wanna Be With You

Peabo Bryson

[Incomprehensible]Oh baby, something I wanna say
You know that I wanna be with you, with you
You're still my love
I wanna be with you, sugar
Well, I wanna be with you, yeah
I wanna be with you, yeah, yeah, yeah
I wanna be with you
You look so surprised
I guess you were the last to know
This thing I feel inside me
It just seems to grow and grow
I'm so crazy for you, you
You're my everything, you see
What I wouldn't do
Just to have you close to me
Girl, I want to be with you
Come to my life, yeah
Life would be so sweet with you
For the rest of my life, rest of my life
You know you touch my heart, baby, yeah
You've become a part of me
I knew right from the start, oh
You and I were meant to be
I'm so attracted to you, you, you
I need you more and more each day
Tell me what I can do
I've just got to find the way
I'm going out of my mind

I'm so in love with you
Oh, baby, can you just give me a sign
So I'll know what to do, oh
I wanna be with you, sugar
I wanna be with you, I wanna be with you
Love would be so sweet with you
For the rest of my life, rest of my life, yeah
I'm going out of my mind
I'm so in love with you
Oh, baby, can you just give me a sign

So I'll know what to do, oh
I wanna be with you, sugar
I wanna be with you, I wanna be with you
Don't you wanna be, don't you wanna be
Don't you wanna be, don't you wanna be with me
Don't you wanna be, don't you wanna be
I wanna be with you
Don't you wanna be, don't you wanna be
You're still in my mind, yeah
Don't you wanna be, don't you wanna be
I wanna be with you
Don't you wanna be, don't you wanna be with me
Wanna be with you
Yeah, wanna be with you
You're still my life, girl
Just gotta be, wanna be
Gotta be, wanna be
With you, you, you
