Problem

Unicorns Killed My Girlfriend

Shut the fuck up
You don't even know me
All these bitches are trying to destroy me
Shut the fuck up u-u-u-u-u-u-u-u-up
Shut the fuck up u-u-u-u-u-u-u-u-up

You got a problem bitch?
Throw your hands up
It's you against me
This shit is one on one
If you didn't notice
Bitch I don't give a fuck
(I'll punch you in the face cause you're such a cunt)
Fuck you bitch
I'm a princess
(You're not the type of girl who will end up on my friends list)
I'm fucking rich bitch
And your ass penniless
(When it comes to Facebook my popularities endless)
Bitch I'm better than you
And your boyfriends a loser
(He spent all his time watching porn on his computer)
I made your girlfriend fall in love with me but all I did was use her
(Made your girlfriend fall in love with me but all I did was use her)

Shut the fuck up
You don't even know me
All these bitches are trying to destroy me
Shut the fuck up u-u-u-u-u-u-u-u-up
Shut the fuck up u-u-u-u-u-u-u-u-up

You got a problem bitch?
(Fuck you)
You got a problem bitch?
(Fuck you)
You got a problem bitch?
(Shut the fuck up)
Throw your hands up!

(Fuck you)

Affiliated with gangs
But I ain't rocking no dreadlocks
When I pull up on the block
I will throw my set up
I gotta get my check up
I'm tryna make a living
But in the process of doing
I am making a killing
I am not so well
I went wall yesterday
All I know is get money
And thats what I really say
Because I pay what I pay
And then I sell some shit too
And in the end this is life
You either win or you lose
(What's up?)
Emo kid I'm rocking J's
No MCR, no Black Parade
Life gave you lemons make lemonade
Then I stole that shit til I got paid
(Emo kid I'm rocking J's
No MCR, no Black Parade
Life gave you lemons make lemonade
Then I stole that shit til I got paid)

Shut the fuck up
You don't even know me
All these bitches are trying to destroy me
Shut the fuck up u-u-u-u-u-u-u-u-up
Shut the fuck up u-u-u-u-u-u-u-u-up

You got a problem bitch?
(Fuck you)
You got a problem bitch?
(Fuck you)
You got a problem bitch?
(Shut the fuck up)
Throw your hands up!
(Fuck you)
