Wait For Me

Sean Lennon

Please don't ask me why
But true as the sky
Everyone is born to die
So take your time but don't take mine
Lose yourself but don't lose your mindSomewhere out there in between
The moon and the sea
I'll be waiting for you my dear
Just wait and seeYou can't regret what you forget
If only you could forget it
But it takes time and plenty of wine
The weight of the world there in your eyesAnd nothing good will ever come to you unless you try try try
You find yourself in trouble if you cannot tell a lie
It's easy as pieSomewhere out there in between
The moon and the sea
I'll be waiting for you my dear
Just wait and seeSomewhere out there in between
The moon and the sea
I'll be waiting for you my dear
Just wait and see
