DC Talk

Hey, yo, yo, T. What's up man?
Why don't you tell em that story
About how you went back in the day
In the hip hop day, ya know what I'm sayin
Yeah, tell 'em that story, manWe're gonna go back to the basics
Of the hip hop sceneJust a loop and some lyrics and a mike
Ya know what I mean?I was just a mere child in
the capital of the nationWhen I heard 'Sugar Hill'
On my favorite stationI dropped all I was doin'
Took a train to the cityTo douglas records and the wizz
'Rappers Delight' was the dittyNo scritty for my palitty, no pop for my sicle
And since that day, I was never ever fickleAh yeah, yo that was smooth T
That was smooth, that real real smooth
I like that story
