

# Eyes on the Floor

## Omni

When I found my peace of mind  
You opened up your mouth  
And it's gone  
Stretched and [?] align  
You're wearing all my clothes  
And you're gone I was a problem where you wanted to be  
I was a problem where you wanted to be  
[?] can be yours  
When what I want is nothing at all  
Liner notes with designer clothes  
No one's heard the news  
And you're gone  
If your dress knows where it goes  
You'll stop the car and reverse  
And it's gone I was a problem where you wanted to be  
I was a problem where you wanted to be  
[?] can be yours  
When what I want is nothing at all Own the bars behind the stop  
Your comfort comes to soon  
And it's gone  
Drive your cars behind the stops  
No one says what they really want after all  
I was a problem where you wanted to be  
I was a problem where you wanted to be  
[?] can be yours  
When what I want is nothing at all  
Eyes on the floor  
Eyes on the floor  
Eyes on the floor
