

# While I Have Breath

**Robbie Seay Band**

i'll praise my maker while i have breath  
and when voice is lost in death  
praise employs my nobler power  
my days of praise will never be past  
    happy those whose hopes rely  
    on Israel's God who made the sky  
    earth and seas with all their train  
    and all the land that lies within  
our God pours eyesight on the blind  
    he supports the fainting mind  
    his truth forever stands secure  
he saves oppressed and feeds the poor  
i'll praise my God who lends me breath  
and when my voice is lost in death  
praise employs my nobler powers  
my days of praise will never be past  
    God helps the stranger in distress  
    the widowed and the fatherless  
he grants the prisoner sweet release  
and sends the laboring conscience peace  
i'll praise my God...
