

# Beautiful (Lift Version)

## Audio Adrenaline

We got music to sooth your soul  
We're gonna get down with a little bit of rock and roll  
We got rhythm to move your feet  
We're gonna make you get up off your seat  
When I lift You up they come running  
When I sing Your song the world's turning to You  
Just the sound of Your name is a beautiful thing  
I love You, I love You, I love You  
Your name is, beautiful  
It drips off of my lips like drops of gold  
It makes me, want to dance  
You're my treasure, my deliverance
